

Chantilly Summer Theatre

Chantilly High School
4201 Stringfellow Road
Chantilly, Virginia 20176

F.A.Q.'s

Summer of 2021

If I audition will I make it into the show?

Each of our participants who comes with a prepared audition for the play will be guaranteed a spot in the show. Technicians do not need to audition.

What do I need to submit in order to register?

We will need you to complete the online participation form, the online conflict calendar and your online payment.

Is there a lunch break?

There is not a time carved out specifically for lunch. We encourage participants to bring snacks and a water bottle.

Am I allowed to miss any rehearsals?

We will always try to work with your schedule as we know the summer can be busy. Actors who audition with conflicts may not be considered for lead roles due to our limited rehearsal time. If we have questions about your conflict calendar we will reach out directly.

Am I required to mask?

Yes. We will adhere to the same protocols being followed by Fairfax County Public Schools during the time of our program. Our instructors will be masked as well and we will follow proper social distancing.

Will we have a live audience?

We certainly hope so, but again safety is our number one priority. We may have a limited number of patrons who are socially distanced or we may end up live streaming the show without an audience. We will keep our fingers crossed and follow the mitigation strategies set forth by the county.

How does drop off work?

We ask that all participants be dropped off between 8:45 a.m. - 8:55 a.m. to ensure we can begin at 9:00 a.m. Drop off & pick up is at the exterior doors to the Blackbox in the Chantilly H.S. Marching Band parking lot. We will have signs on the first day!

Is my child allowed to walk to/walk home each day?

Yes, please send in a letter with your printed name and signature giving your child permission to walk to and home from Chantilly Summer Theatre each day.

Can I get a refund if my child gets sick during the Chantilly Summer Theatre program?

Our funds are allocated and spent in advance for our set, costumes, props, wigs, performance rights and scripts for the show. **No refunds will be issued after Monday, June 17th 2021** as that is when we will have our final budget and begin making purchases for the production.

If you have any further questions, do not hesitate to reach out to our directors at chstheatrecamp@gmail.com
